

ANIMESH ANANMAY

Ph : +91 8892980486

ananmayanimesh@gmail.com

PROFILE SUMMARY :

- I am an enthusiastic and versatile engineer with major experience in Java and related frameworks such as Spring, Spring Boot. I received “**Pat on the Back**” award in HSBC .
- Pursued **B.E.** from **Bangalore Institute of Technology** in **Computer Science and Engineering**.

ACADEMICS :

DEGREE / CLASS	INSTITUTION	UNIVERSITY/BOARD	AGGREGATE	YEAR OF PASSING
Bachelor of Engineering	Bangalore Institute of Technology	Visvesvaraya Technological University	7.62	2019
X	Don Bosco Academy	I.C.S.E.	86.43%	2012
XII	Baldwin Academy	C.B.S.E.	86.2%	2015

ORGANIZATION WORKED/WORKING :

HSBC Technology India (Currently working from July,2019) Primarily as a **Java Developer**.

WORK Experience :-

- I have worked primarily on Java with MongoDB technologies in HTI. I have worked on microservices designed using Java(Spring and SpringBoot framework). I have also designed **Rest APIs** using Java's spring boot framework.
- I have incorporated **shared services**(within organization) into my project using Java for sending / receiving event messages. I have developed complete end to end Java(Spring Boot) module following the SDLC process based on the shared service functionality.
- I have modified the **TLS protocol** versions using Java properties for the Rest API calls.
- I have worked on setting up **OAuth2** functionality in a Java (SpringBoot) based micro service. Have some experience on using **AmazonS3** with the Java(Spring Boot) service.
- I have experience in other skills such as shell script, Jira tool and Grafana dashboard setup. I have worked in an **agile** adopted environment.

CERTIFICATES :

- Networking training programme in **BSNL**.
- **Oracle Certified Associate, Java SE 8 certified.**

PERSONAL PROJECTS :

- Android Applications (**Weather App , Brain Trainer**) on Java.
- Project done on Database Management using **SQL, JAVA**.
- Final Year Project on **Digital Identity Management (BLOCKCHAIN Project** written on **Java**).

SKILLS :

- **Technical Skills**
 - **Languages :**
 - ❖ Java
 - ❖ Python (Beginner)
 - ❖ Shell Script
 - ❖ SQL (Beginner)
 - **Development :** Microservices using Spring and SpringBoot, Android Application , Database Creation and Management
 - **Databases** – MongoDB, SQL, Amazon S3
 - **Data Structures** in JAVA.
 - **Java Frameworks** - Spring and Spring Boot, Collection
 - **Tools :** IntelliJ IDEA, Grafana, Jira, Putty
- **Professional Skills**
 - Patience
 - Proper interaction skills with team members across the globe.

ACHIEVEMENTS :

Qualified **HackWithInfy** Round1

HOBBIES :

- Different kinds of sports and tracks
- Listening Music

PERSONAL DETAILS :

Father's Name : Mr. Birendra Singh

Date of Birth : 17 / 07 / 1996
